

**INTELLIGENT IMPACT FOR THE CORPORATE MESSAGE.
USE THE POWER OF EYEPOPPERS™ 3D POSTCARDS, 3D POSTERS,
3D CALENDARS, 3D EVENT CARDS & TRADESHOW SYSTEMS AND
3D MINI-BILLBOARDS TO RAISE YOUR CORPORATE PROFILE.**

- 1. Make sure no one can miss your next major strategic announcement. The extraordinary technology breakthrough. The key acquisition. Your next major anniversary. Announce them all to the press, investors and key customers with a high-impact, high-information stereoptic system - poster, calendar or mini-billboard - they can't put down and they'll keep all year.**
- 2. Make your trade booth the must-see center at your next major tradeshow. Your critical message becomes a real showstopper when you deliver the message in stereo. And just to be sure everyone coming to the show comes to your booth first, be sure to send them an an early alert - a special Eyepopper postcard to catch their attention and get the excitement started.**

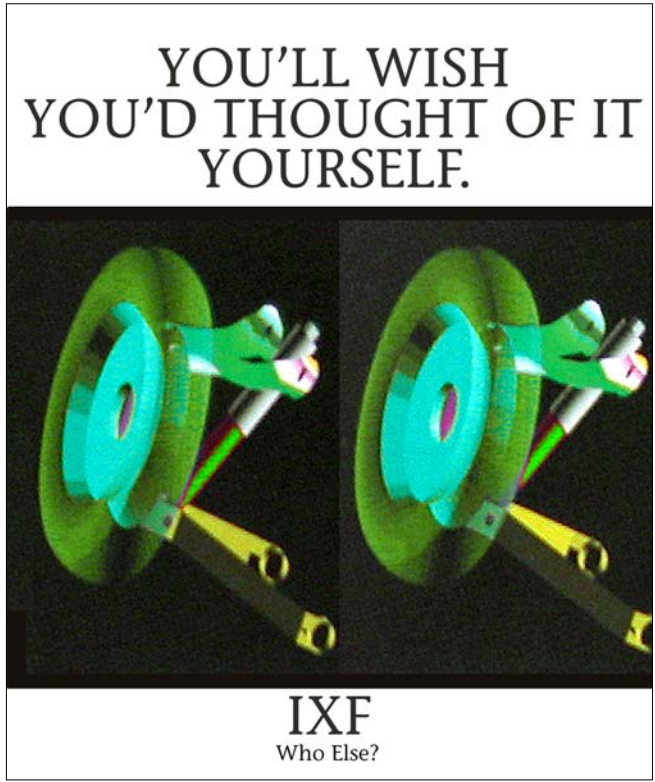

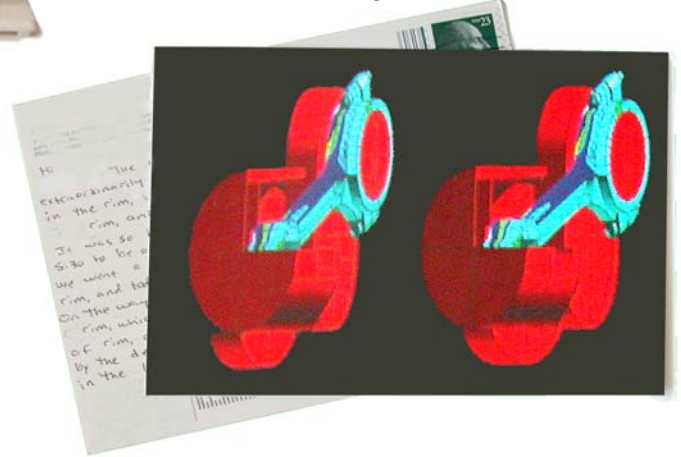

Choose your own stereo style! Mini-billboards and greeting cards are available both in classic++ stereo and in luxury stereo with viewing glasses included.

3. Put your company's leadership and performance story right up there on the wall or on the desk of key influences and decision-makers. All you need is a high-information poster, calendar or mini-billboard they'll keep all year.

With easy viewing instructions on the reverse side even these simple classic 3D postcards can make an exciting technology news mailout - news that will get noticed.

4. Your key customers. Your best new alliance and acquisition opportunities. Your investors. Your own company team. With a high-impact Eyepoppers system you can reach them all with a reminder they can't forget.

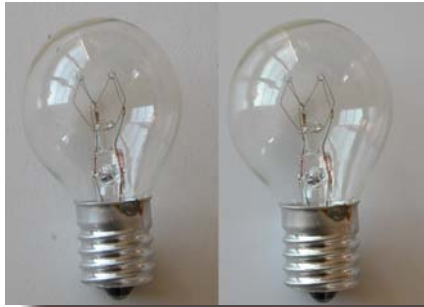

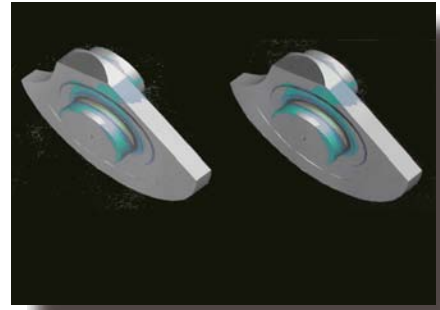

5. Use custom Eyepoppers 3D postcards, greeting cards, billboards, calendars, posters, even technical reports and updates to deliver key news, and information on product and technology advantages.

6. What's hot? You're always at the cutting-edge when you communicate your corporate story with Eyepoppers. Your custom Eyepoppers program can feature your newest products, your classic products, your advanced technologies and tradition of smart, reliable customer support and service.
