

**THE UNIQUE POWER OF BEING THERE.
COUNT ON EYEPOPPERS™ 3D POSTCARDS, 3D POSTERS,
3D CALENDARS AND 3D DISPLAY SYSTEMS TO FIRE UP
UNIVERSITY SPIRIT.**

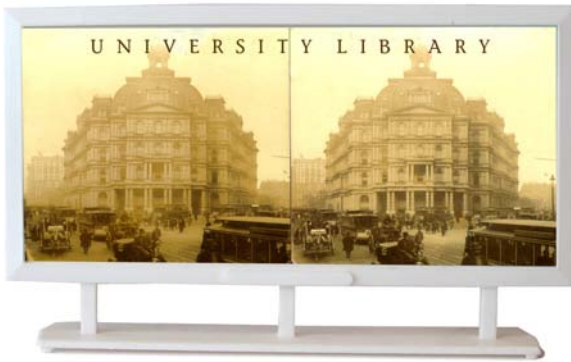

Choose either classic ++ stereo postcards, or luxury art display systems with stereoptic glasses. Whether you're a Mighty Miner or a Gotham Gorilla both provide an extraordinary experience.

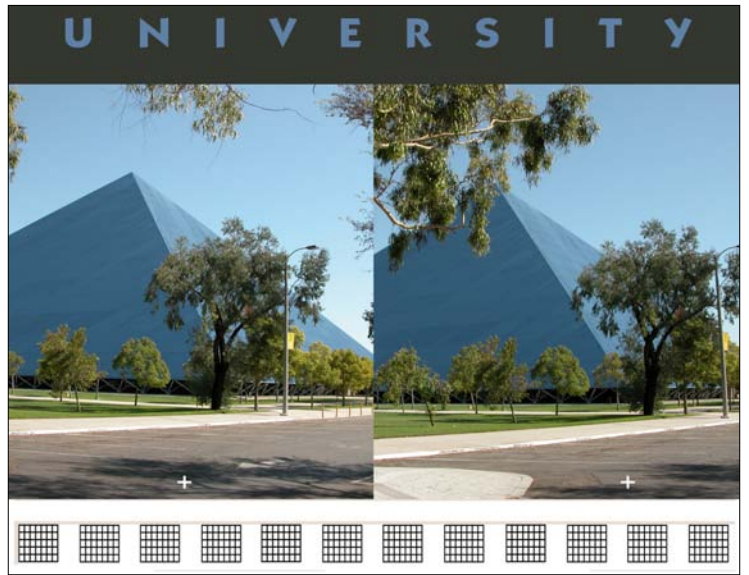

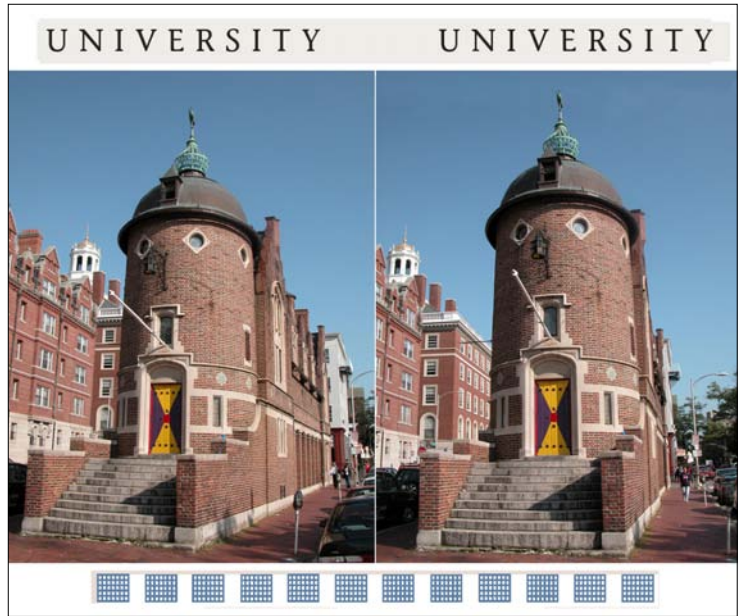

Custom Eyepoppers for your university are available in a wide selection of formats. From 3D postcards and greeting cards to bookshelf display systems, calendars, posters and even special commemorative styles. They're ideal for fundraising programs, too.

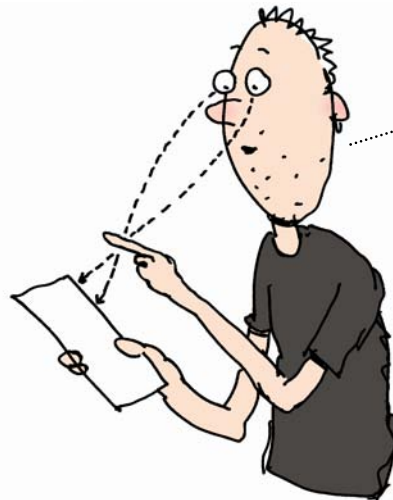

Classic ++ stereo postcards and convenient desktop or bookshelf displays are economical and make great way to send the university spirit home to friends and family or around the world.

Campus icons are always popular. And because they're in stereo it's just like being there.

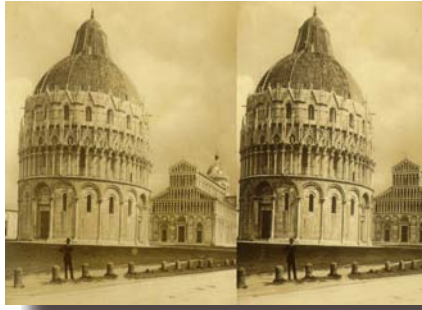

Colorful 18 x 24 twelve- or eighteen-month calendar posters in classic ++ stereo are highly practical, look great over your desk and make a special keepsake for students and alumni alike.

Wow! This 3D postcard is like you're right there. You just focus for a moment on your finger, then let your gaze float up at the "third" image in the middle and you've got instant real stereo!
